

Liu.—St. MELPS IN THE HILLS EPISCOPAL  
CHURCH, Tucson, Arizona—One of America's  
unique churches, roofed with hand-made im-  
ported Spanish tile, its interior furnishings  
creating a distinctly Old World atmosphere,  
and having a 12-ft. square plate glass picture  
window over the altar through which is seen  
the ever-changing sunlight and cloud effects  
on the foothills of the Santa Catalina moun-  
tains.
